January 5, 2021

Dear Kathi,

On behalf of the entire Harbord C.I. community, please accept our gratitude for the latest generous contribution of the Kiwanis Club of Casa Loma to our school community. The grocery gift cards warmly provided by your organization have been shared with ten families in need and will undoubtedly go to good use.

One family, with several children at Harbord and schools in our community, told us at length how appreciative they were of this financial support. One single-income, local business owner's family, whose earnings have dropped substantially over the entire year, was especially grateful to be able to provide meals that carried on family holiday traditions. Each of the ten families who are recipients of these kind gifts expressed their genuine gratitude.

The families and students of Harbord C.I. continually benefit from the engagement of your organization with our school community. We hope that the initiatives of Key Club, combined with our school's ongoing commitment to social justice and community engagement, continue to make you proud.

Thank you for making the holiday season for a much brighter one for these wonderful families in our school community.

Happy holidays!

Sincerely,

Steve Yee  
Principal

Yuri Narula  
Assistant Curriculum Leader,  
Guidance and Student Services

Jimmy Steele  
Faculty Advisor, Key Club
